Écrire des id des objets

The screenshot shows a web form titled "Le Cinéclub" in red. It contains the following elements:

- A label "Entrez le prix de base:" in yellow above a text input field.
- A label "Entrez l'âge:" in yellow above a text input field.
- Two radio buttons labeled "Midi" and "Soir" in yellow, with a closing curly brace to their right.
- A "Calculer" button in a grey box.

Annotations with arrows point to the following elements:

- Two "id:" labels on the left point to the first and second text input fields.
- A "name:" label on the right points to the "Midi" radio button.
- An "id:" label on the right points to the "Soir" radio button.
- An "id:" and "onclick:" label on the bottom right points to the "Calculer" button.
